---

The directors present the annual report together with the audited financial statements of FES Finance p.l.c. (the Company) for the year ended 31 December 2023.

### **Principal Activities**

The Company's principal activity is to carry on the business of a finance company, principally by advancing capital raised to its parent company, FES Projects Ltd ('the parent'), when and as required.

### **Performance Review**

During the year, the Company generated finance income amounting to €293,516 (2022: €293,516) from loan advanced to parent company and fellow subsidiary. Interest expense on bonds amounted to €250,000 (2022: €250,000) and on third party loan amounted to €31,500 (2022: €31,500). The Company's profit before taxation amounted to €4,210 (2022: €3,806). After accounting for taxation, the profit for the year amounted to €2,736 (2022: €2,474).

### **Position Review**

The Company's asset base as at 31 December 2023 amounted to €6,487,141 (2022: €6,410,418). The key assets consist of loan receivable from the parent amounting to €5,686,029 (2022: €5,446,104).

The Company's main liabilities consist of €5,000,000 5% Secured Bonds 2029 and €1,000,000 3.15% third party loan.

### **Dividends and Reserves**

The retained earnings of the Company at the end of the year amounted to €9,706 (2022: €6,970). The directors do not recommend the distribution of a dividend and propose to transfer the profit for the year to reserves.

### **Financial Risk Management**

The Company's activities expose it to a variety of financial risks, including credit risk and liquidity risk. These are further analysed in Note 21 to these financial statements.

### **Events Subsequent to the Statement of Financial Position Date**

The directors assessed subsequent events from 1 January 2024 through 27 May 2024, the date these financial statements were approved. Through such assessment, the directors have determined that there were no particular important events affecting the Company which occurred subsequent to the statement of financial position date.

---

### **Future Developments**

The directors intend to continue to operate in line with the current business plan.

### **Directors**

Dr. Ruben Debono (Executive and Chairman)  
Mr. Christopher Vella (Executive)  
Mr. Alex Tanti (Non-Executive)  
Mr. David Woodward (Non-Executive) (resigned 30 June 2023)  
Mr. Gabriele Bottacci (Non-Executive) (appointed 18 October 2023)

The Board meets on a regular basis to discuss performance, position and other matters. The Company's Articles of Association do not require any director to retire.

### **Statement of Directors' Responsibilities**

The Maltese Companies Act, (Cap 386) requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company at the end of the financial period and of the profit or loss of the Company for that period.

In preparing the financial statements, the directors are required to: -

- ensure that the financial statements have been drawn up in accordance with International Financial Reporting Standards as adopted by the EU;
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable in the circumstances;
- adopt the going concern basis, unless it is inappropriate to presume that the company will continue in business as a going concern.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the Company and to enable the directors to ensure that the financial statements have been properly prepared in accordance with the Maltese Companies Act, (Cap 386). The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Auditors**

The auditors, Horwath Malta, have expressed their willingness to remain in office and a resolution proposing their reappointment will be put before the members at the annual general meeting.

### **Additional disclosures**

#### **Going Concern**

After making enquiries and taking into consideration future plans, as explained in Note 2, the directors have a reasonable expectation that the Company has adequate resources to continue in operating existence for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing financial statements.

---

**Additional disclosures (continued)**

**Principal risks and uncertainties associated with the Company**

The Company's main objective is that of a finance company for the FES Group consisting of FES Projects Ltd (parent company), FES Operations Limited (fellow subsidiary) and Contractors Only Limited (fellow subsidiary). The Company is dependant on the receipt of income from the parent and fellow subsidiary in relation to proceeds which it has advanced in the form of a loan.

Furthermore, the parent owns the Euro Guest House boutique hotel which was closed in 2021 in preparation for the development works as combined with the disruptions brought by the COVID-19 pandemic. The Euro Guest House boutique hotel will be developed together with other major adjoining properties to form an extended stay accommodation (revival living). The permit for this development was granted in November 2022 (PA/09429/19). Consequently, management has been focusing its efforts on the constitution and development of Euro Guesthouse.

The Company's ultimate shareholders have confirmed their commitment to continue providing financial support to the Company and the FES Group to meet their liabilities as they fall due. Therefore, the directors are of the view that the amount receivable from the parent by the Company is recoverable. Also, the directors believe that it remains appropriate to prepare these financial statements on a going concern basis.

**Share Capital Structure**

The Company's authorised and issued share capital is €50,000 divided into 50,000 Ordinary Shares of €1 each.

The share capital consists of 49,998 Ordinary 'A' Shares and 2 Ordinary 'B' Shares. Ordinary 'A' grant one voting right for every share held and are participating shares entitled to receive dividend distribution. Ordinary 'B' shares have no voting rights except for the purpose of participating in the appointment or election of directors. Ordinary 'B' shares are not entitled to receive any dividend distributions.

**Holdings in excess of 5% of Share Capital**

On the basis of information available to the Company, as at 31 December 2023, FES Projects Ltd held 49,998 shares in the Company which is equivalent to 99.996% of its total issued share capital.

There are no arrangements in place as at 31 December 2023, the operation of which may at a subsequent date result in a change in control of the Company.

**Appointment and removal of directors**

Appointment of directors shall be made at the Annual General Meeting of the Company. The directors shall hold office for a period of one year and are eligible for re-election. An election of the directors shall take place every year at the Annual General Meeting of the Company. Any vacancy among the directors may be filled by the co-option of another person to fill such vacancy. Such co-option shall be made by the board of directors. Any vacancy among the directors filled as aforesaid, shall be valid until the conclusion of the next Annual General Meeting, wherein such person shall be eligible for re-election.

---

**Additional disclosures (continued)**

**Powers of the Directors**

The management and administration of the Company is vested in the Board of Directors. The powers of Board members are contained in Articles 12.17, 12.18, 12.19 and 12.20 of the Company's Articles of Association. There are no provisions in the Company's Memorandum and Articles of Association regulating the retirement or non-retirement of directors over an age limit.

**Directors' Interests**

As at 31 December 2023, non-Executive directors have no beneficial interest in the share capital of the Company. The Executive directors have a direct and an indirect beneficial interest in the share capital of the Company through their shares in FES Projects Ltd. The Executive directors are also the ultimate beneficial owners of the Group.

**Contracts with Board Members and Employees**

The Company does not have service contracts with any of its Board Members. All directors may be removed from their posts of director by ordinary resolution of the shareholders in a general meeting.

**Material Contracts**

The Company entered into a loan agreement with its parent FES Projects Ltd for the transfer of funds received from the Bond issue. Details of such contract is set out in Note 11 to the financial statements.

**Statement by the Directors on the Financial Statements and Other Information included in the Annual Report**

In pursuant to Prospects MTF Rules the directors declare that to the best of their knowledge:

- the financial statements give a true and fair view of the financial position and financial performance of the Company and have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union and with the Maltese Companies Act (Cap. 386); and
- this report includes a fair review of the development and performance of the business and position of the Company, together with a description of the principal risks and uncertainties that it faces.

Approved by the Board of Directors and signed on its behalf by:

Dr. Ruben Debono  
Director

Mr. Christopher Vella  
Director

**Registered Address:**  
19 - 23,  
Conservatory Street,  
Floriana

27 May 2024

**The Code adopted by the Company**

FES Finance p.l.c. (the 'Company') adheres to the Prospects MTF Rules in their entirety and the stipulations of the said rules in relation to dealing restrictions.

The Company also adheres to The Code of Principles of Good Corporate Governance annexed to the Capital Markets Rules (the 'Code'). The Company is required by the Prospects MTF Rules to include, in the Annual Report, a Directors' Statement of Compliance which deals with the extent to which the Company has adopted the Code and the effective measures that the Company has taken to ensure compliance with the Code, accompanied by a report of the auditor.

**Compliance with the Code**

The Board of Directors (the 'Board') of the Company believe in the adoption of the Code and has endorsed them except where the size and/or particular circumstances of the Company are deemed by the Board not to warrant the implementation of specific recommendation. The Company has issued Bonds to the public and has no employees, accordingly some of the provisions are not applicable whilst others are applicable to a limited extent.

**The Board**

The Board sets the strategy and direction of the Company and retains direct responsibility for appraising and monitoring the Company's financial statements and annual report. The activities of the Board are exercised in a manner designed to ensure that it can effectively supervise the operations of the Company so as to protect the interests of Bondholders, amongst other stakeholders. The Board is also responsible for making relevant public announcements and for the Company's compliance with its continuing obligations in terms of the Prospects MTF Rules.

**Chairperson and Chief Executive Officer**

Due to the size structure of the Company and the nature of its operations, the Company does not employ a Chief Executive Officer (CEO). This function is undertaken by the Executive Directors.

The day to day running of the business is vested with the Executive Directors of the Company.

The Chairman is responsible to lead the Board and set its agenda.

**Board Composition**

The Board is presently composed of two executive directors and two non-executive independent directors as follows:

Mr. Christopher Vella – Executive Director  
Dr. Ruben Debono – Executive Director and Chairman  
Mr. Alex Tanti – Independent, Non-Executive Director  
Mr. Gabriele Bottacci – Independent, Non-Executive Director

All directors shall hold office from the general meeting at which they are elected until the next annual general meeting. All retiring directors are eligible for re-election.

---

### **Internal Control**

The Board is responsible for the internal control system of the Company and for reviewing its effectiveness. The internal control system is designed to achieve business objectives and to manage the risk of failure to achieve business objectives and can only provide reasonable assurance against material error, losses and fraud.

Systems and procedures are in place to control, monitor, report and assess risks and their financial implications. Management accounts, budgets and strategic plans are prepared on a regular basis and are presented to the Board to monitor the performance of the Company on an on-going basis.

### **Attendance at Board Meetings**

Directors meet regularly to review the financial performance of the Company and the system of internal control processes. Board members are notified of meetings by the Company Secretary with the issue of an agenda, which is circulated in advance of the meeting. All directors are entitled to seek independent professional advice at any time on any aspect of their duties and responsibilities at the Company's expense.

The Board met formally 7 times during the year under review.

### **Committees**

The Board does not consider it necessary to appoint a committee to carry out performance evaluation of its role, as the Board's performance is always under the scrutiny of the shareholders of the Company.

The Board considers that the size and operation of the Company does not warrant the setting up of nomination and remuneration committees. Appointments to the Board are determined by the shareholders of the Company in accordance with the Memorandum and Articles of Association. The Company considers that the members of the Board possess level of skill, knowledge and experiences expected in terms of the Code.

### **Audit Committee**

The terms of reference of the Audit Committee consists of supporting the Board in their responsibilities in dealing with issues of risks, control and governance and associated assurance.

The Board set formal rules of engagement and terms of reference of the Audit Committee that establish its composition, role and function, the parameter of its remit and the basis for the processes that it is required to comply with. The Audit Committee is a sub-committee of the respective board and is directly responsible and accountable to the respective board. The Board reserves the right to change the Committee's terms of reference from time to time.

The Audit Committee has the role to deal with and advise the Board on;

- the monitoring over the financial reporting processes, financial policies, internal control structures and audit of annual financial statements
- the monitoring of the performance of the entity borrowing funds from the Company
- maintaining communication on such matters between the board, management and independent auditors
- facilitating the independence of the external audit process and addressing issues arising from the audit process and;
- preserving the company's assets by understanding the company's risk environment and determining how to deal with such risks.

#### **Audit Committee (continued)**

The Audit Committee also has the role and function of considering and evaluating the arm's length nature of proposed transactions to be entered into by the Company and a related party.

#### **The Members of the Audit Committee**

The Audit Committee is composed of:

Mr. Alex Tanti (Chairman of the Audit Committee)  
Mr. Christopher Vella  
Mr. Gabriele Bottacci

Mr. Alex Tanti acts as an independent, non-executive member of the Committee. The Audit Committee is chaired by Mr. Alex Tanti, whilst Mr. Christopher Vella acts as a member. In compliance with the Prospects MTF Rules, Mr. Alex Tanti is the independent, non-executive director, who is competent in accounting and/or auditing matters. The Company believes that the members of the Audit Committee have the necessary experiences, independence and standing to hold office as members thereof.

As stipulated in the terms of reference of the Audit Committee, the Chairman shall have a casting vote in the case of deadlock.

The Directors believe that the current set-up is sufficient to enable to Company to fulfil the objective of the Prospects MTF Rules' terms of reference in this regard.

The Audit Committee met 6 times during the year under review.

#### **Remuneration Statement**

Pursuant to the Company's Articles of Association, the maximum aggregate emoluments that may be paid to directors are approved by the shareholder in a general meeting. Remuneration of directors totalled €18,000 during the year under review.

The remuneration of directors is a fixed amount per annum and does not include any variable component relating to profit sharing, share options or pension benefits.

None of the directors is employed or has a service contract with the Company.

#### **Relations with bondholders and the market**

The Company publishes annual financial statements, and when required, company announcements. The Board feels these provide the market with adequate information about its activities.

---

**Conflict of interests**

The directors are aware of their responsibility to always act in the interest of the Company and its shareholders as a whole, irrespective of who appointed them to the Board. In accordance with the Company's Articles of Association, the directors shall be obliged to disclose their interest in a contract, arrangement or proposal with the Company in accordance with article 145 of the Act and a director shall not vote at a meeting of Directors in respect of any contract, arrangement or proposal in which he has a material interest, whether direct or indirect. Furthermore, the Audit Committee has the task to ensure that any potential conflicts of interest are resolved in the best interests of the Company.

During the financial year under review, no private interests or duties unrelated to the Company were disclosed by the directors which were or could have been likely to place any of them in conflict with any interests in, or duties towards, the Company. Mr. Christopher Vella and Dr. Reuben Debono have a direct and an indirect beneficial interest in the share capital of the Company, and as such is susceptible to conflicts arising between the potentially diverging interests of the shareholders and the Company.

Lastly, the Company has also adopted a document entitled 'Code of Dealing for Directors & Selected Officers and Employees' addressed to all directors and selected officers of the Company. The aim behind this Code is to ensure compliance with the dealing rules applicable to such persons. The Company reminds all directors and senior officers of their obligation to conform to the Code of Dealing on a regular basis.

**Corporate Social Responsibility**

The directors are committed to high standards of ethical conduct and to contribute to the development of the well-being of the local community and society at large.

Signed on behalf of the Board of Directors on 27 May 2024 by:

---

Mr. Alex Tanti  
Director and Chairman of the  
Audit Committee

**INDEPENDENT AUDITOR'S REPORT**  
To the Shareholders of FES Finance p.l.c.

---

**Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of FES Finance p.l.c. (the Company), set out on pages 14 to 33, which comprise the statement of financial position as at 31 December 2023, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company, as at 31 December 2023 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the EU (EU IFRSs) and have been properly prepared in accordance with the requirements of the Maltese Companies Act (Cap. 386).

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the Accountancy Profession (Code of Ethics for Warrant Holders) Directive issued in terms of the Accountancy Profession Act (Cap. 281) in Malta, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of financial statements for the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

*Recoverability of loans advanced to parent company*

Loan receivable include funds advanced to parent company, who is also the guarantor of the bonds issued by the Company. This loan amounted to €5,686,029 as at 31 December 2023, and carries an agreed rate of interest of 5.35% per annum. As at reporting year, the loan receivable from the parent company represents 88% of the total assets of the Company.

**Key Audit Matters (continued)***Recoverability of loans advanced to parent company (continued)*

Loan advances to parent company were from the net proceeds of the bond issued by the Company.

The recoverability assessment of the loan receivable considers the financial position and performance of the parent as well as its cash flow projections.

Due to the significance of the balance of the loan receivable from the subsidiary, and the dependency of the Company on the performance and recoverability of such loans to meet its ongoing obligations, we have considered the recoverability of the loan receivable as key audit matter.

*How the scope of our audit responded to the risk*

We have inspected the supporting loan agreement, agreed the terms and conditions of the loan and assessed compliance therewith. We have also confirmed the outstanding balances as at year-end with the parent company. The recoverability of the loans were ascertained by assessing the financial soundness of the parent company as well as the value of security held by the parent company, who is also the guarantor of the bonds issued by the company, by referring to the latest financial information through the parent company's financial statements, its cash flow projections and forecasts.

We have also assessed the relevance and adequacy of disclosures relating to the loan receivable from parent company presented in Note 11 to the financial statements.

*Findings*

On the basis of our work, we concur with management's view that the loan receivable from parent company is recoverable.

**Other Information**

The directors are responsible for the other information. The other information comprises the Directors' Report. Our opinion on the financial statements does not cover this information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

With respect to the Directors' Report, we also considered whether the Directors' Report includes the disclosures required by Article 177 of the Maltese Companies Act (Cap. 386). Based on the work we have performed, in our opinion:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with the Maltese Companies Act (Cap. 386).

## **Responsibilities of the Directors and Those Charge with Governance for the Financial Statements**

In addition, in light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we are required to report if we have identified material misstatements in the directors' report. We have nothing to report in this regard.

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the EU and the requirements of the Maltese Companies Act (Cap. 386), and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

#### *Report on the Statement of Compliance with the Principles of Good Corporate Governance*

The Prospects MTF Rules issued by the Malta Stock Exchange require the directors to prepare and include in their Annual Report a Statement of Compliance providing an explanation of the extent to which they have adopted the Code of Principles of Good Corporate Governance and the effective measures that they have taken to ensure compliance throughout the accounting period with those Principles.

## **Report on Other Legal and Regulatory Requirements (continued)**

The Prospects MTF Rules also require the auditor to include a report on the Statement of Compliance prepared by the directors.

We read the Statement of Compliance and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements included in the Annual Report. Our responsibilities do not extend to considering whether this statement is consistent with any other information included in the Annual Report.

We are not required to, and we do not, consider whether the Board's statements on internal control included in the Statement of Compliance cover all risks and controls, or form an opinion on the effectiveness of the Company's corporate governance procedures or its risk and control procedures.

In our opinion, the Statement of Compliance set out on pages 5 to 8 has been properly prepared in accordance with the requirements of the Prospects MTF Rules issued by the Malta Stock Exchange.

### *Other matters on which we are required to report by exception*

Under Maltese Companies Act (Cap. 386) we are required to report to you if, in our opinion:

- We have not received all the information and explanations we require for our audit.
- Adequate accounting records have not been kept, or that returns adequate for our audit have not been received from branches not visited by us.
- The financial statements are not in agreement with the accounting records and returns.

We have nothing to report to you in respect of these responsibilities.

### **Auditor tenure**

We were appointed as the statutory auditor by the General Meeting of the Shareholders of the Company on 28 April 2023. The total uninterrupted engagement period as statutory auditor, including previous reappointments amounts to 5 years.

*The accounting policies and explanatory notes on pages 18 to 32 form an integral part of these financial statements.*

## **1. General Information**

FES Finance p.l.c. (the "Company") is a public limited liability company domiciled and incorporated in Malta.

## **2. Basis of Preparation**

### ***Statement of compliance***

The financial statements have been prepared in accordance with the provisions of the Maltese Companies Act, (Cap 386) enacted in Malta, which require adherence to International Financial Reporting Standards as adopted by the EU (EU IFRSs).

### ***Basis of measurement***

The financial statements are prepared on the historical cost basis.

### ***Functional and presentation currency***

The financial statements are presented in Euro, which is the Company's functional currency.

### ***Going concern***

The Company's principal activity is to act as a finance company. The Company in itself does not have substantial assets and is a special purpose vehicle set up to raise finance for the business of the FES Group. The parent company, FES Projects Ltd was set up as the holding company of the Group, and is principally engaged in investing in, acquiring, holding and/or managing any land, building or other property for the purpose of deriving income therefrom.

Furthermore, the parent owns the Euro Guest House boutique hotel which was closed in 2021 in preparation for the development works as combined with the disruptions brought by the COVID-19 pandemic. The Euro Guest House boutique hotel will be developed together with other major adjoining properties to form an extended stay accommodation (revival living). The permit for this development was granted in November 2022 (PA/09429/19). Consequently, management has been focusing its efforts so as to develop the Euro Guest House.

The board of directors continually monitors the operations of the FES Group, and is satisfied that the FES Group will generate sufficient cash flows to meet its payment obligations to the Company, such that the Company continues to meet its obligation with its bondholders. In addition, the Company's ultimate shareholders have confirmed their commitment to continue providing financial support to the Company and the FES Group to meet their liabilities as they fall due.

Therefore, the directors believe that it remains appropriate to prepare these financial statements on a going concern basis.

## 2. Basis of Preparation (continued)

### *Use of estimates and judgements*

The preparation of financial statements in conformity with EU IFRSs, requires the use of certain accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies (refer to Note 5 – Critical accounting estimates and judgements).

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

## 3. Changes in Accounting Policies and Disclosures

### *Standards, interpretations and amendments to published standards effective in 2023*

In 2023, the Company adopted new standards, amendments and interpretations to existing standards that are mandatory for the Company's accounting period beginning on 1 January 2023. Except for the amendments to IAS 1 and IFRS Practice Statement 2, the adoption of these revisions to the requirements of IFRSs as adopted by the EU did not result in substantial changes to the Group's and Company's accounting policies impacting the Company's financial performance and position, including disclosures.

- **Amendments to IAS 1 and IFRS Practice Statement 2 – Disclosure of Accounting Policies**

The amendments are intended to help preparers in deciding which accounting policies to disclose in their financial statements. Material accounting policy information is now required to be disclosed instead of significant accounting policies. The amendments explain how an entity can identify material accounting policy information and give examples of when accounting policy information is likely to be material. Accounting policy information may be material due to its nature and is material if users of an entity's financial statements would need it to understand other material information in financial statements.

In addition, IFRS Practice Statement 2 has been amended by adding guidance and examples to explain and demonstrate the application of the 'four-step materiality process' to accounting policy information in order to support the amendments to IAS 1.

With effect from these financial statements for the year ended 31 December 2023, the Company has consequently limited its disclosure of accounting policies to that information that is material.

### *Standards, interpretations and amendments to published standards that are not yet effective*

Certain new standards, amendments and interpretations to existing standards have been published by the date of authorisation for issue of these financial statements, that are mandatory for the Group's and Company's accounting periods beginning after 1 January 2023. The Group and Company have not early adopted these revisions to the requirements of IFRSs as adopted by the EU and the Company's Directors are of the opinion that there are no requirements that will have possible significant impact on the Group and Company's financial statements in the period of initial application.

#### **4. Significant Accounting Policies**

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

##### ***Finance income and finance costs***

Finance income and finance costs are recognised in profit or loss for all interest-bearing instruments on a time-proportionate basis using the effective interest method. Finance costs include the effect of amortising any difference between net proceeds and redemption value in respect of the Company's borrowings. Finance income and costs are recognised as they accrue, unless collectability is in doubt.

##### ***Income taxation***

Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in the statement of comprehensive income except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the period, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

##### ***Earnings per share***

The Company presents basic earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

##### ***Financial instruments***

###### ***Recognition and measurement***

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provision of the instrument.

#### 4. Significant Accounting Policies (continued)

##### *Financial instruments (continued)*

##### *Recognition and measurement (continued)*

A financial asset (unless it is a trade receivable without a significant component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant component is measured at transaction price.

##### *Classification and subsequent measurement*

##### *i. Financial assets*

On initial recognition, a financial asset is classified as measured at: amortised cost, fair value through other comprehensive income (FVOCI) (debt investment), FVOCI (equity instrument) or FVTPL.

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

A financial asset is measured at amortised cost if it meets both the following conditions and is not designated as FVTPL:

- it is held within a business model whose objective is achieved both by collecting contractual cash flows and;
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

A financial asset is measured at FVOCI if it meets both the following conditions and is not designated at FVTPL:

- it is held within a business model whose objective is achieved by collecting contractual cash flows and selling financial assets and;
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL. On initial recognition the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL, if doing so eliminates or significantly reduce an accounting mismatch that would otherwise arise.

#### 4. Significant Accounting Policies (continued)

##### *Financial instruments (continued)*

##### *Classification and subsequent measurement (continued)*

##### *i. Financial assets (continued)*

##### *Business model assessment*

The Company makes an assessment of the objective of the business model in which a financial asset is held because this best reflects the way the business is managed, and information is provided to management. The information considered includes;

- history of the Company's bad debts
- liquidity position of inter-companies

##### *Assessment whether contractual cashflows are SPPI*

For the purpose of this assessment, 'principal' is defined as the fair value of the financial assets on initial recognition. 'Interest' is defined as consideration for the time value of money and for credit risk associated with the principal amount outstanding during a particular period of time.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

##### *Subsequent measurement*

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised through profit and loss. Any gain or loss on derecognition is recognised in profit or loss.

##### *ii. Financial liabilities*

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expenses, are recognised in profit or loss.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

#### 4. Significant Accounting Policies (continued)

##### *Financial instruments (continued)*

##### *Derecognition*

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfer the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in profit or loss.

##### *Offsetting*

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company currently has legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

##### *Impairment*

The Company assesses on a forward-looking basis, the expected credit losses associated with its debt instruments carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables the Company applies the simplified approach to measuring expected credit losses as permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition. In measuring the expected credit losses on trade receivables, the expected loss rate, the payment profile of sales over a period of time before reporting date and the historical credit losses experience within this period are considered. The historical loss rates are adjusted to reflect current and forward-looking information to trade receivables and the environment in which they operate.

For related party balances, the Company assesses the credit quality of the related companies by taking into account the financial position, performance and other factors. In measuring expected credit losses on these balances, management takes into account, when available, the agreements in place and adherence to the applicable agreements.

#### 4. Significant Accounting Policies (continued)

##### *Cash and cash equivalents*

Cash comprises demand deposits. Cash equivalents are short-term investments that are held to meet short-term cash commitments rather than for investment or other purposes.

##### *Share capital*

##### *Ordinary shares*

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

##### *Dividend distribution*

Dividend distribution to the Company's shareholders is recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders.

#### 5. Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and based on historical experience and other factors including expectations of future events that are believed to be reasonable under the circumstances.

In the opinion of the directors, the accounting estimates and judgements made in the course of preparing these financial statements are not difficult, subjective or complex to a degree which would warrant their description as critical in terms of the requirements of IAS 1 (revised).

#### 6. Finance Income

	2023	2022
	€	€
Interest receivable on long term loan due from parent company	262,016	262,016
Interest receivable on amounts due from fellow subsidiary	31,500	31,500
	<u>293,516</u>	<u>293,516</u>

**7. Finance Costs**

	2023 €	2022 €
Interest payable on bond	250,000	250,000
Interest payable on long term third party loan	31,500	31,500
Amortisation of bond issue costs	10,250	10,250
	<u>291,750</u>	<u>291,750</u>

**8. Other Income**

	2023 €	2022 €
Management fee	<u>65,000</u>	<u>60,000</u>

**9. Profit before Income Tax**

This is stated after charging the following:

	2023 €	2022 €
Directors' remuneration	18,000	24,000
Amortisation of bond issue costs	<u>10,250</u>	<u>10,250</u>

The total remuneration paid to the Company's auditors during the period amounts to:

	2023 €	2022 €
Annual statutory audit fees	2,977	2,835
Other non-audit services	<u>300</u>	<u>300</u>

## 10. Income Taxation

	2023 €	2022 €
Current tax expense	<u>1,474</u>	<u>1,332</u>
	<u>1,474</u>	<u>1,332</u>

The tax charge and the result of accounting profit multiplied by the statutory income tax rate are reconciled as follows:

	2023 €	2022 €
Profit before taxation	<u>4,210</u>	<u>3,806</u>
Tax at the applicable statutory rate of 35%	<u>1,474</u>	<u>1,332</u>

## 11. Loan Receivable

	2023 €	2022 €
<b>Non- current</b>		
Loan receivable from parent company	<u>5,424,017</u>	<u>5,184,090</u>

Loan receivable relates to the transfer of funds to parent company, generated by the Company from the issue of bonds.

To this respect a loan facility amounting to €4,897,500 is made available to the parent company, which is unsecured, carries interest at 5.35% per annum and is repayable in full by not later than 31 December 2028. Any other balances receivable from parent company are unsecured, interest free and have no fixed date of repayment but are not envisaged to be paid within the next twelve months.

At 31 December 2023 and 31 December 2022, this financial asset was fully performing and as such does not contain impaired assets.

## 11. Loan Receivable (continued)

Maturity of loan receivable:

	2023 €	2022 €
Within 2 and 5 years	2,000,000	2,000,000
Over 5 years	<u>3,424,017</u>	<u>3,184,090</u>
	<u>5,424,017</u>	<u>5,184,090</u>

## 12. Trade and Other Receivables

	2023 €	2022 €
Amounts due from fellow subsidiaries	638,615	787,660
Amounts due from related company	102,400	101,600
Accrued income	262,016	262,016
Prepaid expenses	45,134	45,134
Indirect tax refundable	<u>11,331</u>	<u>29,849</u>
	<u>1,059,496</u>	<u>1,226,259</u>

A loan facility amounting to €1,000,000 is made available to a fellow subsidiary, which is unsecured, carries interest at 3.15% per annum and does not have a fixed date for repayment. Any other balances receivable from the fellow subsidiary are unsecured, interest free and repayable on demand.

Amounts due from other fellow subsidiary and related company are unsecured, interest free and repayable on demand.

As at 31 December 2023 and 31 December 2022, the amounts due from fellow subsidiaries and related company were fully performing and hence do not contain impaired assets.

## 13. Share Capital

	2023 €	2022 €
<b>Authorised, Issued and Fully Paid Up</b>		
49,998 Ordinary 'A' shares of €1 each	49,998	49,998
2 Ordinary 'B' share of €1 each	<u>2</u>	<u>2</u>
	<u>50,000</u>	<u>50,000</u>

#### **14. Retained Earnings**

This represents accumulated profits. During the year under review, no dividends were paid out of retained earnings.

#### **15. Other Equity**

This amount represents a loan from ultimate shareholders of the Company. It is unsecured, interest-free and repayable exclusively at the option of the Company and for this reason it is classified within equity.

#### **16. Interest-bearing Borrowings**

	2023 €	2022 €
<b>Non-current</b>		
5,000,000 5% Secured Bonds 2029 (Note i)	4,946,615	4,936,365
Loan from third-party (Note ii)	<u>1,000,000</u>	<u>1,000,000</u>
	<u><b>5,946,615</b></u>	<u><b>5,936,365</b></u>

##### **(i) 5,000,000 5% Secured Bonds 2029**

	2023 €	2022 €
Bonds outstanding (face value)	<u>5,000,000</u>	<u>5,000,000</u>
Gross amount of bond issue costs	(102,500)	(102,500)
<b>Amortisation of gross amount of bond issue costs:</b>		
Amortised bond issue costs brought forward	38,865	28,615
Amortisation charge for the year	<u>10,250</u>	<u>10,250</u>
Unamortised bond issue costs	<u>(53,385)</u>	<u>(63,635)</u>
Amortised cost and closing carrying amount	<u><b>4,946,615</b></u>	<u><b>4,936,365</b></u>

##### ***Interest***

Interest on the 5% Secured Bonds 2029 is payable annually in arrears, on 18 March of each year.

## 16. Interest-bearing Borrowings (continued)

### (i) 5,000,000 5% Secured Bonds 2029 (continued)

#### *Security*

The bonds constitute the general, direct, and unconditional obligations of the Company, guaranteed by FES Projects Ltd, and shall at all times rank *pari passu*, without any priority or preference among themselves.

The secured bonds shall rank with priority or preference with respect to the Security Property, save for such exceptions as may be provided by application law. The payment of the principal under the bonds and one year interest thereon is secured by a first special hypothec over the Security Property which FES Projects Ltd has agreed to constitute in favour of the Security Trustee for the benefit of Bondholders. Also, the secured bonds are guaranteed, in respect of both the interest and the principal amount due by FES Projects Ltd.

### (ii) Loan from third party

The loan from third party is unsecured, carries an interest rate of 3.15% per annum and does not have a fixed date for repayment but it is not envisaged to be paid within the next twelve months.

## 17. Trade and Other Payables

	2023 €	2022 €
Trade payables	136,667	113,576
Amounts due to shareholder	10,000	-
Accrued expenses	<u>331,551</u>	<u>300,905</u>
	<u>478,218</u>	<u>414,481</u>

## 18. Cash and Cash Equivalents

Cash and cash equivalents included in the cash flow statement comprise the following balance sheet amounts:

	2023 €	2022 €
Cash at bank	3,576	17
Funds held on escrow by the Escrow Agent	<u>52</u>	<u>52</u>
	<u>3,628</u>	<u>69</u>

All proceeds from the bond issue are held by the Escrow Agent and released in accordance with the Escrow Agreement.

## **19. Related Party Transactions**

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions.

The Company forms part of the FES Group. All companies forming part of the FES Group are related parties since these companies are ultimately owned by FES Projects Ltd which is considered by the directors to be the ultimate controlling party. The FES Group comprises FES Projects Ltd as the parent company and three subsidiaries, FES Finance p.l.c., Contractors Only Limited and FES Operations Limited.

Trading transactions between these companies include items which are normally encountered in a group context. The Group is ultimately owned by Mr. Christopher Vella and Dr. Ruben Debono, who are therefore considered to be related parties. The main related party with whom the transactions are entered is FES Projects Ltd, the guarantor of the borrowings (Note 11).

The Company is a subsidiary of FES Projects Ltd who is the parent company. The registered address of the parent company is 19 – 25, Conservatory Street, Floriana.

	2023	2022
	€	€
<b>Income</b>		
Finance income from parent company	262,016	262,016
Finance income from fellow subsidiary	31,500	31,500
Management fee charged to fellow subsidiary	<u>65,000</u>	<u>60,000</u>
<b>Expenditure</b>		
Recharges to parent company	<u>-</u>	<u>16,500</u>
<b>Loans and Advances</b>		
Advances from shareholder	(10,000)	-
Net advances (from) / to parent company	(20,615)	87,562
Advances to fellow subsidiaries	4,456	530,767
Advances to related company owned by common shareholders	<u>800</u>	<u>-</u>

A loan facility amounting to €4,897,500 is made available to the parent company, which is unsecured, carries interest at 5.35% per annum and is repayable in full by not later than 31 December 2028. Any other balances receivable from parent company are unsecured, interest free and have no fixed date of repayment but are not envisaged to be paid within the next twelve months.

A loan facility amounting to €1,000,000 is made available to a fellow subsidiary, which is unsecured, carries interest at 3.15% per annum and does not have a fixed date for repayment. Any other balances receivable from the fellow subsidiary are unsecured, interest free and repayable on demand.

Amounts due from other fellow subsidiary and related company are unsecured, interest free and repayable on demand.

## **19. Related Party Transactions (continued)**

Key management personnel compensation, consisting of directors' remuneration, has been disclosed in Note 9 to the financial statements.

Year end balances arising from related party transactions are disclosed in Notes 11, 12, 15 and 17 to the financial statements.

## **20. Earnings per Share**

Earnings per share is based on the profit after taxation attributable to the ordinary shareholders of the company divided by the weighted average number of ordinary shares in issue during the year.

	<b>2023</b>	2022
	€	€
Net profit attributable to owners of the company	<u>2,736</u>	<u>2,474</u>
Weighted average number of ordinary shares in issue (Note 13)	<u>50,000</u>	<u>50,000</u>
Earnings per share (cents)	<u>0.055c</u>	<u>0.049c</u>

## **21. Financial Risk Management**

At the year end, the Company's main financial assets comprised loan receivable from parent company and cash held at bank. At the year end the Company's main financial liabilities consisted of borrowings and trade and other payables.

The Company constitutes a financing special purpose vehicle whose bonds are matched by equivalent amounts due from, and guaranteed by, FES Projects Ltd (parent company).

The Company's principal risk exposures relate to credit risk and liquidity risk. The Company is not exposed to currency risk and the directors consider interest rate risk exposure to be minimal due to matching of interest costs on borrowings with finance income from its loans and receivables.

### ***Timing of Cash Flows***

The presentation of the above-mentioned financial assets and liabilities listed above under the current and non-current headings within the statement of financial position is intended to indicate the timing in which cash flows will arise.

## **21. Financial Risk Management (continued)**

### ***Credit Risk***

Financial assets which potentially subject the Company to concentrations of credit risk consist principally of loan receivable from parent company and cash at bank (Notes 11 and 18). The carrying amount of financial assets represents the maximum credit exposure.

The Company's cash at bank is placed with high quality financial institutions. The Company's receivables consist mainly of loan receivable from parent and accordingly credit risk in this respect is limited.

### ***Liquidity Risk***

The Company is exposed to liquidity risk in relation to meeting future obligations associated with its financial liabilities, which comprise principally interest-bearing borrowings and trade and other payables (refer to Notes 16 and 17). The Company is exposed to liquidity risk arising from its ability to satisfy liability commitments depending on cash inflow receivable in turn from FES Projects Ltd.

Management monitors liquidity risk by means of cash flows forecasts on the basis of expected cash flows over a twelve-month period to ensure that no additional financing facilities are expected to be required over the coming year. This process is performed through a rigorous assessment of detailed cash flow projections of the parent company where matching of cash inflows and outflows arising from expected maturities of financial instruments are assessed on an annual basis.

The carrying amounts of the Company's assets and liabilities are analysed into relevant maturity groupings based on the remaining period at the end of the reporting period to the contractual maturity dates in the respective notes to the financial statements.

### ***Capital Management***

The Company's bonds are guaranteed by FES Projects Ltd (parent company). Related finance costs are also guaranteed by the parent company. The capital management of the Company therefore consists of a process of regularly monitoring the financial position of the guarantor.

### ***Fair Values of Financial Instruments***

At 31 December 2023 and 31 December 2022, the carrying amounts of receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contracted cash flows at the current market interest rate that is available to the Company for similar financial instruments.

As at end of the reporting period, the fair values of financial assets and liabilities, approximated the carrying amounts shown in the statement of financial position.
